CRASH CARTS

Description (for all Aluminum & Steel Crash Carts, except ER-2000)

Rapid and organized response to a cardiac emergency is essential. Crash carts come in all shapes and sizes, and Waterloo manufactures a wide variety of cart sizes designed to fit your specific needs.

If you'd like to color code drawers to make them easy to identify quickly (example: White airway drawer), we are happy to accommodate that request at no extra charge! Just tell us what drawer front and what color and we can personalize your carts for you!

UXRLA-333669-RED

BEDSIDE/NURSE SERVER CARTS

Description (for all Aluminum & Steel Bedside Carts)

Waterloo bedside carts are designed to keep patient and nursing supplies close at hand, eliminating multiple runs to a central storage room and allowing more time with patients. Waterloo aluminum bedside carts can fit into tight patient room areas and even under existing counters. Whatever your storage needs are, Waterloo has a bedside cart designed to fit your available space.
